See what our customer's have to say:

"Benchmark Foam's service is great. They're always willing to do what needs to be done."

"As expected, Benchmark delivered on time and satisfied a very particular customer."

"We were impressed with the quick delivery and plan to use it again."

Benchmark ICF Helps Habitat For Humanity

ICFs commonly used for foundations and basements

Every year, Benchmark Foam supplies its Insulated Concrete Forms (ICF) to the Watertown Area Habitat for Humanity, among other area chapters, for use in the construction of affordable and decent housing for all. We are

proud to offer our high quality, energy efficient products to an organization that helps make a difference in thousands of family lives every year. Read the full story [here](#).

Protection From Flood Waters with ICFs

ICF wall helped saved property in 2011 flooding

In 2011, Benchmark Foam aided the supply of Insulated Concrete Forms (ICF) for flood prevention walls in the South Sioux City, Nebraska area. When the Missouri River swelled to threaten several areas in Nebraska and Iowa, some residents and business owners opted to try a new way to prevent water from damaging their property.
